Life on Adam's Street

Gelandesprung Ski Club has become a central part of my life and has met or exceeded my expectations nearly 15 years ago when I first learned of the club. I've acquired new hobbies through biking, became a better skier, and have improved my hunting and fishing thanks to the folks I've met. Many have become my family and best friends. Regardless of our connection, you have all been with me through career changes, listened when I needed you too or simply helped me become a better person and club member. There is a long list of individuals whom I am grateful for taking me under their wing and would certainly miss a few if I tried to thank them all. However, for those of you who did, please know I am thankful for each and every one of you, either living or departed.

It is because of our friendships and the impact that the Club has had on me, that I agreed to join the Board when Rick Houston asked me on the chair lift in Whitefish. It was my goal to carry the tradition and leave a positive mark on the club's future for the next generation. I have been on the Board and done so for 8 years without regrets. It is because I think so fondly of you and this club that I have to announce the next chapter in my life and do so with bittersweet emotions. My career path has me taking on additional travel and work responsibilities making it increasingly difficult to manage work and personal life. This balance is not fair to any of you and it is time for me to close this part of my life.

My current term as President is expiring soon, and will be up for re-election. It is with deep regret that I announce this will be my last bid for the elected position of Gelandesprung President. If you will have me, it is my intention to complete one final term as President and pass the Leadership baton, in 2 years, to someone with the same passion and drive you have come to expect.

Although I am hanging up my hat as a Board member, you have my assurances that I will still be here. I'll continue to ski fast, make wide turns, race you to the bottom, meet you at the Après Ski, provide leadership, and even lead a trip or two or more!

Thank you,
Adam

BIG SKY, MONTANA - POSTPONED UNTIL 2022

Following consultation with the Western Trip Committee, the Executive Board voted unanimously on November 24, to postpone the ski trip to Big Sky from March 2021 to early season in 2022. The exponential increase in the number of COVID-19 cases makes it clear that our trip in March could result in new cases that could have a significant impact on the health of our members. The Board regrets the need to make this unprecedented choice. Yet, the Board cannot support proceeding in this environment.

Contractual obligations for payments that would be due to Winter Ski & Sports in early December are the primary driver for the timing of this decision. By making this decision now, you will have the opportunity to make your own plans.

All cash submitted to Gelandesprung for this trip will be refunded to you as quickly as is feasible. Any checks that you have sent to Gelandesprung during the past week will also be returned to you.

Myra Altschuler, Travel Protectors, will provide vouchers for the value of insurance if you purchased Option 2 or Option 3, for the trip. The vouchers will be good for two years and can be used for ski trips or for trips other than ski trips. If you purchased Option 1 (\$25 pp.), you will receive a refund. You may contact Myra at myra@travelprotectors.com or (703) 443-9055.

Finally, if you still want to go to Big Sky during the week of March 13, 2021, WS&S will provide information to us about an option for you to use their services to put together your own group. Gelandesprung will provide this information to you when it becomes available to us. Except for informing you of this option, Gelandesprung will not be involved in the trip.
