Life on Adam's Street

The old saying goes April Showers bring May Flowers. To me that means a lot of the great things I love about our Wisconsin summers. From the perspective of our club, that means quite a few different social activities for you just around the corner. Once again, our Social Chair, Jeanne Stilp is putting together a list of options for you to choose from, which will be posted soon. Some may even be posted in this newsletter. I am authorized to say that by popular demand I know there are a few different biking options and possibly a gathering in a happy-hour-type setting. She is also pursuing a summer picnic option. We hope the list will provide you a variety of options to interact once again with your ski friends and family in an environment which you will be most comfortable. We hope to see you at some or all of the events.

I'd like to formally recognize Danice Herald for her individual contributions to preserving our club memorabilia by serving as our Club Historian. She spearheaded the conversion of hundreds, probably thousands, of old photographs of our 50 years, into a digital format. This greatly minimized the boxes of cherished memories that had to be maintained and transported. She also voluntarily took upon herself to work with the Social Chair to assist with decorating our many banquets and organizing some fun activities at them, and on trips. Her actions epitomize what it means to be a volunteer and what helps keep our club going. Thank you! She is now pursuing other activities and is no longer serving as our Historian, leaving the spot vacant for you! If you have an interest in nostalgia and preserving our memories by recording our trips, events, and significant milestones in our club, please contact me today.

Don't forget to submit your membership registration so that you can stay in the loop on what's new! Oh, and for you golfers in the club, you're formally put on notice. I'm learning to golf this summer, and I apologize in advance for holding up your game while I shank my ball and take my time trying to perfect my form. I am optimistic that my golf game is like when I picked up skiing. It was pathetic for a few years, and then all of a sudden, I found my mojo and the rest is history.

Ski you soon,
Adam

It is time to submit nominations for the **Dick Wortiska Service Award**. We had our first award recipients last year. Jeanine Bosdech and Gary Austin tied after a vote by the Executive board and Chairs (The Full Board).

- Jeanine won for all of the extra work she put in to organizing the Club's financial records when she accepted the role of treasurer for the club. The extra workload took a lot of Jeanine's time as she started her position some years ago.
- Gary won for all of the work he put into the club over a long period of years, including helping another club member to participate in the ski vacation by traveling with the member a day late, following a travel problem.

We did not have a typical year last year. Yet, many people worked hard to make the best of a bad situation. Additionally, we have club members that could receive recognition for work that was performed in previous years, including any of the nominees from last year.

Award Process:

- The award will be presented to a club member in recognition of excellent service for the good of the club.
- The award will be simple keepsake and a Certificate to say thank you for your service.

Nominations:

- Club members will submit nominations to the Board at any time throughout the year.
- Nominations will be encouraged during club meetings, banquets and following our ski trips.

The Secretary will distribute all nominations that are submitted to the Full Board at the end of the ski season. The Board and members present at our April Board Meeting will review all nominations at the end of the ski season. The Full Board will select the award winner during the April Board Meeting. The Award will be presented at the Spring Banquet.

Examples that could be recognized based upon suggestions during brainstorming:

- Sacrificing one's time on vacation to help someone else (i.e. injury response, special problem response, etc.).
- Great leadership for a ski trip, especially for those that step up to take on a new responsibility.
- Aiding a person injured while skiing by making sure he or she is okay and that family and friends are notified.
- Exhibiting excellence in recruiting (i.e. 4 new members at a marketing event!).
- Helping out during ski trips, luggage, events, etc.
- A person using their exceptional skill set to help the club deal with issues (i.e. information technology, communication, and similar tasks).
- A board member for straightening out a major problem within their area of responsibility, above and beyond what would be expected for the normal workload.

Nominations are now being accepted and can be submitted to our Secretary, Tom Piette. These are best emailed to him using secretary@gelandesprung.org. Please read into this issue further, for the nomination form which will identify the selection criteria the board is seeking to determine an appropriate recipient. You may use the

form itself and send it to Tom, or may use some other format. If you have any questions, please let a board member right away!
