## Piette's Post

Happy November everyone. I have two favorite times of the year for outdoor fun. Clearly May through October can be great for cycling, golf and other outdoor activities. Most of that is over, but ski season will be here in about a month. In my view, there is no better sport than skiing and boarding in the mountains. I treasure the time I spend with friends skiing the best runs in the Rocky Mountains. Local skiing is great too. As I write this, local ski areas are about a month away from opening. I intend to be at Granite Peak weekly throughout the winter to strengthen my legs and refine my skills.

For me, now is the time to get ready by visiting the YMCA. I was reminded today that the first day in spin class after a six-month hiatus is the hardest part. But it is a part of the price of being ready to ski throughout the day at our trip to Big White January 26 to February 3. Long ago, I used to train for a few weeks before a trip. For whatever reason, it seems to take three months these days, maybe because I am over 55 years old this year.

Our trip to Big White has grown beyond our initial capacity of 64. We still have limited availability for anyone that would like to join us. Big White is far from the coast and is in the region of Canada that is known for great snow throughout the season. And the price for the trip is as low as you are likely to see again, given the inflation we continue to experience.

We announced the trip to Searchmont, from March 22 to March 24, 2024, at the Fall Banquet. Searchmont has been a favorite weekend destination for Geländesprung for a long time. I am happy to share that the owners have made great improvements to the lift systems since our last trip. Searchmont now features three triple lifts and one quad. The terrain is very good and the area is known for getting significant lake effect snow. Nordic skiing is also available. The trip is open for signup. See the flyer in the newsletter.

Our Christmas party will be on December 12th this year. Similar to recent years, we will have a buffet and ask for a small donation to help cover the cost. Please review the information in the newsletter and RSVP to attend.

I hope to see you December 12th at our Christmas Party.

Tom Piette

### **Sign Up Process:**

Please review sections 3, 4, and 5 before initiating your signup.

There are two parts to sign up for the trip:

1. **The online sign-up including all your choices for transportation, lodging, skiing, etc. will begin August 28.** The system is easy to understand the first time you use it. During the period from August 28 to September 1, the date that you input your signup information will not affect your position in the queue for the choices you make (i.e., condo vs hotel).

- a. Please use the link below to sign up if you are able to do so.
- b. You may also sign up by calling Skigroup; Crystal at (970)313-4217, or Kelly at (970)313-4218

2. **The link to sign up for the trip is <https://go.tripstorm.app/#!/24GELBIGWHITE>.**

- a. The system is not ready to be used yet. Any information you would enter now will be erased. **Do not enter any information until August 28.**
- b. Enter the selection system by clicking on the "Purchase Now" button.
- c. On large screens (**computers and most tablets**) **You will notice "file tabs" to click** at the top of your computer screen. The categories are Air, Lodging, Lift Ticket, My Info, Terms, & payment. Credit card payment will be disabled for this trip. On **phones and smaller tablets, you will use a "Next" button to navigate** selections.
- d. The choices for the Base Trip will be checked. Click on your choice to change it.

3. The second part of the sign-up is to send your check for the deposit to Gelandesprung Ski Club, PO Box 10422, Green Bay, WI 54307, **no sooner than September 1** as directed by the signup system. The postmark on the envelope with your check will determine your spot in the queue for choices. The Board and committee members that need information will have access to sign-up information to see your choices, contact information, etc.

- a. Someone could have a problem with the signup system, we planned the 4-day gap to solve the problem without affecting your opportunity to have your choices.
- b. The \$1000 deposit will be used to eliminate currency risk.
- c. The remainder of your trip cost is due December 1.

## **Section 3:**

### **Travel Information:**

- The airlines limited our seats to 32 people per day. This is to help the luggage fit on the plane.
- **There will be a bus for the Saturday trip** for 32 people and this flight will need to be filled.
- **We also expect a bus for the Friday trip.** We will need about 20 people to make the bus economical. If we do not have enough people for a bus, the Friday group would drive to O'Hare and the cost of bussing (\$122 pp.) will not be charged. Options for a stay & fly hotel would be identified, just as we did for Sun Peaks in 2018.
- The bus is part of the travel package. People flying with us must pay for the bus unless their bus is cancelled, or you do not live in the area served by the bus.

- People making their own travel arrangements may ride the bus with us from Kelowna if you are ready to go with the group at about 2:00 PM either day. Other options may be available at a higher cost. Refunds will depend on our ability to recover the cost.

  - Your pick-up location The Woods, Green Bay; The Bar, Appleton; or Pioneer Travel Plaza
  - If you want to purchase trip insurance and the type.

## **Section 5:**

### **Insurance:**

- Insurance is a good idea for foreign travel. First, check with your provider to be sure you have medical coverage while in a foreign country. Medicare does not cover you. Your Medicare supplemental plan or advantage plan might cover you. You want to verify your coverage for medical treatment regardless of your health insurance.
  - As an example, my supplemental plan includes a \$250 foreign deductible and a 20% copay. My cost domestically is \$0 for each.
- Skigroup will have a link to purchase travel insurance. They link to plans provided by VacationGuard (866)314-9480 or [service@vacationguard.com](mailto:service@vacationguard.com). As I understand it, the plans offered include medical coverage and trip cancellation.
  
- Gelandesprung has typically contacted Myra Altschuler, Travel Protectors, LLC. Plan information is below.
  - Email [myra@travelprotectors.com](mailto:myra@travelprotectors.com) or call Myra at 703-443-9055 for information.
  - She offers two plans.
    - The Medical plan covers health care, medical evacuation coverage, lost luggage and trip delay. The cost is modest at \$52.
    - A more complete plan that also includes trip cancellation is \$191. This coverage must be purchased within 21 days of your first trip deposit.
- For details regarding insurance from either company, call the insurance companies to be sure you understand what you are purchasing.

## **Section 6:**

### **Q&A:**

Q: Why are we signing up so early?

A: First, Ski trip costs to another country involve the risk of costs rising based upon a change in the exchange rate. A favorable exchange rate is the reason that we have a very low trip cost. Although the exchange rate is excellent today, the risk is that the exchange rate could change if we wait until October.

Q: Why do we have only on-line sign up for this trip?

A: Planning and executing the trips takes a lot of time recording and tracking information accurately. On-line signup provides a lot of advantages in accuracy and it saves a ton of time. We also have accommodations for anyone that is not using the online system.

Q: What's up with the possible trip to Silver Star?

A: Silver Star will have people available to help us plan a day trip by October. They are not available now. We are hoping to have a day trip but we do not have information to share at this time.

Q: If we go to Silver Star, I want a 5-day lift pass at Big White. If there isn't a trip, I want a 6-day pass. What should I do?

A: Buy the 6-day pass at Big White now. You can change it to a 5-day pass by calling Skigroup if you go to Silver Star. In fact, you can change your lift pass for any reason until shortly before the trip.

Q: We don't usually have to pay for the bus if we choose to not take it. Why is this year different?

A: Buses are included as a part of the travel cost for the group. We often have more people on a flight than can fit on the bus. Consequently, we usually do not charge if you do not choose to use the bus. In this case our flights only allow for 32 people, the bus will be only ~60% of capacity. Each person that chooses to not take the bus would cost other members their share of the cost (which is much more than in the past).

Q: The bus is impractical for me because the bus does not travel near where I live. Do I still need to pay?

A: This is a special condition. We will make an exception for you if the bus is not practical. Explain your situation to the trip leader.

Q: What type of beds are included in the lodging?

A: Hotels will typically have more rooms with two beds. The Stonebridge condos include two beds in the second bedroom.

Finally, visit [Gelandesprung.org](http://Gelandesprung.org) and the Facebook page for more information during August.

# Fall Banquet 2023 Was a Great Success!

Dear Ski Club Members and Friends,

Forty five happy and enthusiastic skiers attended the Gelandesprung Ski Club Fall Banquet on Friday, October 6 at The Woods on Erie Road. There was plenty of visiting with friends, getting caught up on summer activities and anticipating the upcoming ski season. We really appreciate the camaraderie, friendship and support you bring to our events.

President Tom Piette provided an update on the trip to Big White, British Columbia in January. He also introduced our new Facebook presence. Vice President Scot Wederquist announced the sign up is now open for the Searchmont, Ontario trip March 22 to 24. Treasurer Phil Heldt reviewed our financial standing. Web Architect Frank Wickham provided general information and navigation hints on our website. Historian Brian Fowle introduced our new Facebook presence. And Social Events Coordinator Mark Heintzkill conducted ticket drawings for a variety of ski related gifts.

**Special thanks** to Phil Heldt and **Quick Trip** for their generous donation of gas cards, **Zeller's Ski and Sport** and **Scott's Sports** for their generous donations of gift certificates and ski tuning certificates. Generosity like theirs makes our evening a little more fun. When considering an upgrade of your ski equipment please keep sponsors like Scott's Sports and Zeller's Ski and Sport in mind. And when it's time to hit the slopes pay a visit to Quick Trip for fuel and snacks.

Finally, I'd also like to thank our hosts for the evening, **The Woods**. They are so easy to work with, and they are very accommodating with the last-minute changes we throw at them. The room, audiovisual equipment, and the bar they provide are just perfect for our group. They really are a pleasure to work with. And keep The Woods in mind for a late season round of golf. There are bound to be some beautiful days of golf remaining before the white stuff starts to fly.

Our next event will be our **Holiday Party on Tuesday, December 12 at 7:00 p.m.** Gelandesprung and Sly Fox members are welcome. The menu for this event will be pizza, (there will be gluten free pizzas as well), chicken wings and a salad bar. \$10.00 donation at the door is requested. Please bring cash or check. Please look for the formal announcement on another page of this newsletter.
