## **Life on Adam's Street**

Happy December members!

Hard to believe that it's the Sunday of Thanksgiving weekend. I just hung up my bow and rifle and hunting boots today. At that time, I took down my ski equipment and began looking to the season.

First on my mind is our Holiday Celebration. Our Social Chair has arranged for another wonderful reception at The Woods and those details are available later in this issue. We do ask for your RSVP to alert the Wood's staff as to our needs to ensure you have a great time. Please submit your reservation today.

We do have some Midwest trip options for you which are getting only a lukewarm reception. We have planned these trips based upon having maximum participation to keep costs low and packed with value. As times are changing, we are seeing less interest in these styles of trips. If you are planning to go and appreciate these Midwest trips please let us know by signing up today. A continued lack of interest may prompt further change. More trip information is in this issue.

We have opened the trip to Utah which, as expected, has gone over very well. At last check, just before the holiday, we were within striking distance of our maximum capacity. Those who submit registrations should get a confirmation email from our Treasurer. Frank has included information in this newsletter regarding trip insurance and other topics of interest you may find relevant to your vacation.

Happy holidays all!

Think SNOW!

Ski ya!

## Midwest ski trip to Hastings Minnesota

Our Midwest Trip for this year is a new destination. This year we are skiing both Afton Alps and Welch Village. These two resorts are both located equal distance from Hastings, Minnesota in the St Croix River Valley. We will travel to Hastings the afternoon of February 20<sup>th</sup> and stay at Nichols Inn and Suites. The evening meal will be on your own. A short walk from the hotel is Las Margaritas Mexican Restaurant, Applebees, and The Bar Draft House serving craft beer and Heggies Pizza (whatever that is?). The next morning breakfast is included in our stay at the Nichols Inn. They specialize in fresh omelets and homemade waffles. After a hearty breakfast we board the bus for a 15-minute trip to Afton Alps. Afton Alps has six dining options for your mid-day break. After skiing and an appropriate amount of time for après ski, we will board the bus and head back to the hotel where you can relax in the hot tub or swimming pool before venturing out for your evening meal.

The next morning, we again enjoy a hearty breakfast and board the bus for a 15-minute trip in the opposite direction to Welch Village. We will check out of the hotel and load all our gear on the bus for our trip south to Welch Village. Welch Village is one of the last family operated resorts in the US. Dining at Welch Village is unfortunately limited. They have only two venues for food so we will be making an early stop for food that evening after we board the bus for home.

We have the opportunity to include two options for cross country skiers or snowshoe enthusiasts. Afton Alps is located adjacent to Afton State Park. The park has 12 miles of cross-country ski trails with a 2.5-mile loop for beginners. Snow shoe rentals are available at the park office. The park is cut by deep ravines which drop 300 feet to the river. The ravines display spectacular outcrops of sandstone and the rugged terrain affords spectacular views of the St. Croix River Valley. The park is set in a rolling glacial moraine and bluffland. It contains a combination of oak openings and woodlands. The forests combine upland hardwoods with some pine plantations. Remnant prairies are being expanded and oak savannas are being restored through an aggressive resource management program that makes extensive use of volunteers. Park wildflowers include prairie pasque flowers and woodland ephemerals in the spring; butterfly weed and puccoons on the summer prairie; and sunflowers and blazing star in the fall.

Another option for cross country skiing is Cannon Valley Trail or St Croix Bluffs Regional Park. The Cannon Valley Trail is A 20-mile paved recreational rail trail between Cannon Falls and Red Wing for biking, hiking, in-line skating and cross-country skiing. The trail closely follows the Cannon River, winding through a varied landscape of bluffs, valleys, prairies, forests, marshland & farmland. St. Croix Bluffs Regional Park is a 579-acre Regional Park located on the wild and scenic St. Croix River. The park offers a variety of landscape types including rolling upland hills, wooded ravines, and 3/4 mile of river frontage. This area offers 6.5 miles of groomed trails with both traditional and skate trails available. Daily transportation will be arranged based upon level of interest.

This will be a fun new destination for us. Two years of Covid restrictions have generated a pent-up demand for ski trips so sign up early. This trip is limited to 40 skiers.

# Welch Village

Welch Village sits in the densely wooded scenic Cannon River Valley and has been family-owned since 1965. It offers a nice variety of 60 trails spread out over 140 acres of skiable terrain that cater to all skiing and snowboarding levels, and a quartet of black-diamond, front-face runs that are among the steepest in the region. Two nicely spaced day lodges along the bottom of the sprawling ski hill offer lots of eating and lounging choices. The summit is at 1,060 feet with a 360-foot vertical drop. They have three quad chairs, one triple and four doubles serving 125 acres of skiable terrain.

**Your Responsibility Code**

Welch Village is committed to promoting slope safety. In addition to those using traditional alpine ski equipment, others on the slopes include snowboarders, telemark skiers or cross-country skiers, skiers with disabilities, skiers with specialized equipment and others. Always show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help with. Skiers on the slopes are responsible for a great snowsports experience.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely. Skiers and riders should be advised that a green circle, blue square or black diamond trail at your area is not necessarily the same as a similarly rated trail at another area. The system is a relative system that is valid only at this area. Skiers and riders should work their way up, beginning with the easiest trails no matter what their ability level may be, until they are familiar with the trails at the area.

## GELANDEBUCKS

Does the club still offer these? Is it still \$10 per new member! Can I use it towards my favorite hobby, Skiing! The answer to all these questions is YES! If you recruit someone new to join the club you will receive a \$10 certificate for each person that signs up! That \$10 can be put towards any ski trip, banquet or other club function as you see fit. So get out there, get recruiting and sign up some new members! **Gelände'Bucks CANNOT be used for purchases from "Always in Stitches",** our vendor for duffel bags, caps and jackets.
